

The logo is centered on a white background. It features a central figure, a stylized human silhouette, standing with arms slightly away from the body. This figure is surrounded by several concentric, semi-circular arcs. The arcs are composed of segments in two colors: a light blue and a light gray. The segments are arranged in a way that creates a sense of depth and movement, as if the arcs are spiraling outwards from the central figure. The overall design is clean and modern, with a focus on geometric shapes and a limited color palette.
